## Art & Craft: Paper Jungle

### Material(s) Required

- Construction papers
- Colourful handmade papers / textured papers
- White chart paper - A4 size , Pencils , Glue, Scissors
- Animal-shaped cutouts , Crayons

### Procedure

1. Draw a rough outline of various elements like trees, birds, animals, flowers and leaves on the chart paper.
2. Tear the construction papers as per the requirement in different shapes and sizes. You may take help from your parents and cut out different shapes of leaves and flowers using scissors.
3. Paste the construction papers within the drawn outlines.
4. Use dark blue crayon in the background for the elements to stand out.
5. Paste the animal-shaped cutouts as per their choice.
6. You may highlight the collage by giving a few elements a black outline.
